

### Benefits of Participation

Appointment to a local government's plan commission is an important commitment carrying significant responsibilities. The decisions reached can affect community and regional functioning, as well as character, for decades or more. A plan commission workshop can help bridge the knowledge-experience gap and increase commissioner confidence. Future workshops will address one or more specific issues.

### Presenter:

Aslı Göçmen, Assistant  
Professor of Urban and Regional  
Planning, UW-Madison

### Panelists:

Henry Elling  
*Summit Village Administrator/  
Zoning Administrator*  
Matt Neumann

## Agenda Overview

### Conservation Subdivision Design: Environmental Merits and Barriers to Implementation

- Welcome and Agenda Review
- Conservation Subdivision Design: Environmental Merits and Barriers to Implementation. Hear the results of a recent research project conducted in Waukesha County that investigated conservation subdivision design implementation. Learn strategies to overcome barriers to its implementation and design principles to achieve better conservation outcomes.  
Presenter: Asli Göçmen, Assistant Professor of Urban and Regional Planning, University of Wisconsin Madison
- Panel Discussion on Conservation Subdivision Design  
Panelists:  
Henry Elling - *Summit Village Administrator/Zoning Administrator*  
Matt Neumann - *Neumann Land Development*  
Nick Patera - *Teska Associates, Inc*  
John Siepmann - *Siepmann Realty*
- Wrap Up and Evaluation

**Space is limited. Registration required!**
